Dear Organizer,

Thank you for taking charge and running this fundraiser!

Here is some important information for you to know, to make this as effective as possible:

1 Personalizing Your Fundraiser: We recommend you create a one page introduction that has your organization's logo and addresses why you think it's important to support this program, which is a "green" fundraiser.

2. Pricing: All items are priced here at the suggested retail prices, as they appear at www.noshpockets.ca.

3. Shipping and Handling: In order to deliver the highest profit to your organization, each individual will be asked to pay \$2 for shipping. If your organization is in Calgary, Alberta your order will be delivered for free to you and no shipping will be charged.

4. Payment: Please have your guests make their cheques payable to your organization and plan to issue one cheque to **noshpockets** for the full amount due, including shipping.
Send completed summary sheets to: **noshpockets,**
36 Hanover Rd SW
Calgary, Alberta, T2V 3J4.

5. Timing: Please allow 2-3 weeks to receive your orders. Products normally will ship in one week or less of the receipt of order but delivery may vary based on where you are in Canada. It will be your responsibility to sort goods and package them for your customers.

6. Returns & Exchanges: We are sure you will be very happy with the quality of our products. In the unfortunate event you do not get what you were expecting, please contact us at 403-457-4969. Unless there is a mistake with an order, all return shipping charges are the responsibility of the sender.

FUNDRAISING PROGRAM — PRODUCT INFORMATION

What are noshpockets?

A noshpocket is a reusable, environmentally-friendly alternative to plastic baggies. Sturdy, water-resistant noshpockets can be used over and over again and will eliminate hundreds of plastic bags from our landfills. Plastic doesn't biodegrade, can leach toxins into soil and waterways and can be ingested by birds and animals. Using reusable noshpockets is one way you can have a positive impact on our environment. Add a machine washable cloth napkin instead of a paper napkin and further reduce your impact. For more information visit us at www.noshpockets.ca.

Materials

noshpocket exterior and napkins: Plain colours (celery or black) are 55% hemp / 45% cotton. All other fabric designs are 100% cotton.
